

Batavia: MUSIC

Batavia Band Festival 2019 Patron Information

Congratulations on performing at the 2nd Annual Batavia Band Festival and welcome to Batavia High School and the Batavia Fine Arts Centre. We hope you enjoy your time in our community!

The Batavia Band Festival is designed to offer top-notch experiences to intermediate bands in a non-competitive atmosphere. We've brought in the best clinicians, recording artists, and facilities to achieve our goal. We greatly hope you join us in the Batavia Fine Arts Centre (BFAC) to celebrate the musical gifts of our students.

The Batavia Fine Arts Centre (BFAC) is located in Batavia High School at 1399 W Wilson Street, Batavia, IL 60510. Park on the Wilson street side of the school and enter through the BFAC entrance. Parking is available on the Main Street side, however, this should be used for overflow parking only.

The entrance fee for all patrons is \$5. Performing students and their directors are admitted free. A full menu of snacks and entrees for breakfast, lunch, and dinner are available in our student cafeteria, a short walk from the BFAC. **However, no food or drink is permitted in the Batavia Fine Arts Centre.**

This concert will be professionally recorded. Please make sure to stay seated during each band's performance and only leave the theatre in between bands unless there is an emergency.

Thank you again for participating in our festival and congratulations on a great performance!

Best -

Chris Owen & Brian Van Kley, Batavia High School Band Directors
