

German Host Family Opportunity

Emily Tratar

Please take a second to consider this opportunity. There is a German Choir coming to Batavia July 18th through the 21st!!! It would be so great if you could host some of them!

I went to Europe over the summer with my choir, and it was the most amazing experience of my life, but the main reason it was so amazing was because of my host families. You can impact someone just like they impacted me.

If your family agrees on this or is considering to do this, please contact me before May 16th. (contacts on the back) There will be an information meeting about all of this after May 16th (TBA once we get some families! You will be notified of if you contact me.) And please, take as many kids as you want!

This will be the highlight of your summer, three days that will change your life for the better.

I really hope you are interested in doing this, it is really a life changing experience, thanks for reading. :)

Some things the kids from the choir have said-

- ★ David- "I've never left Europe before and therefore I'm a little bit nervous, but I am happy to do so for the first time and look forward to meeting new people and learn the american way of life"
- ★ Gisa- "I am looking forward to get to know you and to explore the US"
- ★ Carolin-"I am looking forward to our trip to America to experience a place so far from home!"

INFORMATION

When- They will arrive on Monday, July 18th. They will be with you Monday Night, Tuesday and Wednesday and will leave that Thursday.

Requirements- You must be able to give them their own room (a private place with a bed= a room), access to a bathroom and a person to drive them to concerts and rehearsals. (All of them speak english and most are fluent.)

Events- They will have Tuesday free for you, as the host family, to take them sightseeing or, well... basically anything of the American culture or your family's culture you want to show them. They will have rehearsals on Wednesday at St. Mark's church in Geneva from 1-4. After rehearsals, there will be an optional potluck picnic at Wheeler park from 4-6. (Each family should try to bring a drink or food of the American BBQ culture, hotdogs, hamburgers, etc.) After that, they'll head back to St. Mark's at 6 to prepare for their concert at 7pm.

More information- There will be an informational meeting for questions and tips and more information about this if you are interested. You do not have to commit right away, but if you are interested please contact me and come to the meeting and make a decision then.
