Tri-M Music Honor Society

The Tri-M Music Honor Society is the international music honor society for high school students. It is designed to recognize students for their academic and musical achievements, reward them for their accomplishments and service activities, and to inspire other students to excel at music and leadership. Through more than 5,500 chartered chapters, Tri-M has helped thousands of young people provide years of service through music in schools throughout the world.

Students in Tri-M participate in a number of music related activities throughout Batavia High School and the greater community. Within the high school they assist with concert preparation, administrative tasks and help fund raise for the Music Buffs, Music Department and for donations to charity. Students in Tri-M are recognized throughout Batavia High School as exemplary students and role models for younger musicians.
